PERSI Performance Measures

- PERSI staff have been available and there have been no gaps in service due to COVID. Our offices are open to the public & we are following physical distancing, sanitation guidelines and mask recommendations.
- As part of our long-range planning and Board governance project, we conducted satisfaction surveys this summer with active members, retirees, employers, stakeholders and consultants.
- A majority of respondents feel “very satisfied” or “satisfied” with PERSI. Common words used to describe PERSI are dependable, secure and stable.
- To fulfill the request for more “one stop shopping”, PERSI trainers are working on expanding education efforts to cover a broader range of topics and info.
- No findings in most recent audit – Audit results presented to Board at October Board meeting (Eide Bailly). PERSI is consistently recognized for excellence in financial reporting.
